Discipleland & Discipletown

Freedom Session 2018/19

*"Search me, O God, and know my heart;
test me and know my anxious thoughts.
Point out anything in me that offends you,
and lead me along the path of everlasting life."*

Galatians 5:1

Freedom Session is based on the Word of God, and it's where we can find healing from hang-ups, habits and deep seated hurts and **be released from a false identity into our God given identity.** It helps us be more authentic, more mature in Christ and truly free! If you feel this might be helpful in your life, please fill out the insert and place in the offering bag or pass it to an usher or staff member. Join us this September and make this the year you **break FREE!**

Praying for our Church Family

Please pray for those in our church family who are suffering from chronic pain and are either living with their ongoing pain or are living with having to take multiple medications to cover up their pain. For the most part, we don't even know who is suffering, because chronic pain is often hidden and silent. Pray for healing, pray that they wouldn't give up praying for themselves, pray for family members as they adjust their lives accordingly.
