Praying for our Church Family

As the summer begins to wind down, we in the church naturally begin to look ahead as to what we want to do with our time in the fall. Volunteer for a ministry, continue in a ministry, or join a study (Sunday School, Care Group, Men's/Women's/Youth Bible study, Alpha, Freedom Session) that would help us to grow in the wisdom and knowledge of our Lord. Let's pray for one another as we make decisions for this fall, that we would be following God's will for our time.

Praying for our Missionaries

A Poignant Reminder from our C&MA Missionary Katie Bowler: A Tabaski (Eid) sheep getting a neck rub (though they're kept on a short leash, they do seem to be well taken care of leading up to the festival day).

All the sins of the previous year are meant to be laid on that sheep. I'm so thankful for Jesus, the Lamb of God, who was actually capable of wiping our slates clean forever. Please keep Katie in your prayers as she ministers in Senegal. Katie's newest prayer letter is available on the info desk.

Thank You for coming to worship with us this morning in song, in prayer and in the Word of God; we hope you will be blessed! If you are visiting, please stop by the information table on your way out and help yourself to any of the materials located there. We'd love for you to join us again next week!
