Exodus 15:22-17:7

Worship by Shane and Tara Moews

*You are not given grace for tomorrow, for ifs
and maybes—you are given grace for today*

This Week:

Friday January 3, ALL AAC-YOUTH movie night at 7pm. Join us for popcorn, fun and a movie! See you there.

Next Week:

Message: ***The King's Cross: It is Finished*** - Pastor Doug
Celebrating the Lord's Table (communion) together.

An Evening with Katie Bowler, Sunday January 5, 6pm

Katie works with the Fulani in the country of Portugal, come out and meet an exciting, young dynamic woman who loves God and serving Him.

The Fulani (also known as Fulbe in Fulfulde or les Peuls in French) are among the most widely dispersed and culturally diverse peoples in Africa. They form the largest pastoral nomadic group in the world. The nomadic Fulani are full-time cattle keepers who move about with their cattle for much of the year. In contrast, settled Fulani live permanently in villages and cities, and yet many still have a nomadic mindset and consider themselves to be nomadic. Although both groups have the same origin and language, they regard themselves as only distantly related.

Christmas Hampers

If you purchased and delivered a Christmas Hamper or grocery gift cards for a individual/family, please submit your receipts to the church office or Pastor Doug before the new year so you can be reimbursed. Thank you so much for helping to brighten up others Christmas experience.

Praying for our Church Family

Pray for those families who are traveling over the Christmas and New Year's holiday. Pray for safety and journey mercies as they travel throughout our province and some into the United States. Pray for those you know traveling over the BC mountain passes as there are several passes currently under avalanche warnings.

Pray for those in your circle of friends who need a physical, healing touch from God. Pray for God's spirit to reassure them that He is with them in their difficult circumstance.
