Family News and Events

Tonight at 6pm, an evening with International Worker Katie Bowler

Katie works with the Fulani in the country of Senegal, come out and meet an exciting, young dynamic woman who loves God and serving Him.

The Fulani (also known as Fulbe in Fulfulde or les Peuls in French) are among the most widely dispersed and culturally diverse peoples in Africa. They form the largest pastoral nomadic group in the world. The nomadic Fulani are full-time cattle keepers who move about with their cattle for much of the year. In contrast, settled Fulani live permanently in villages and cities, and yet many still have a nomadic mindset and consider themselves to be nomadic. Although both groups have the same origin and language, they regard themselves as only distantly related.

Praying For Our Church Family

Pray for our church staff as they plan, prepare and lead us into 2020. Pray for health, protection and wisdom in their weekly activities and meetings with people. Pray for all our wonderful volunteer leaders, those who serve in the Nursery to our offering counters and Ushers. Thank you for your faithful service and support of AAC! Let's ALL prayerfully look forward to an enriching and purposeful 2020.

Praying for Our International Workers

Thailand – Pray with **Derek and Bonnie Burnett** that the Holy Spirit would tear down strongholds, heal hurts, and draw hearts to Him in southern Thailand.

Silk Road – Pray with **Ernie and Marilyn Klassen** as Marilyn takes up a faculty advisory role and as the two of them begin to prepare material for two new courses. Pray for favour and blessing in their relationships with the students. May God use them to spur many hearts towards global work
